Dear Honourable E. Vitaliano;

I feel that you made a Mistake in Calculating My time. IN two thousand one I was given thirty-Six months of Supervised Release by Honourable Reena Raggi. When I was released from FCI Mekean in May of two thousand six, I was placed in a halfway house at 988 Myrtle Ave. I did a total of fourteen months there. My calculations are as follows:

Original Sup. Rel.	36	months
Halfway House	<u>14</u>	"
Subt.	22	"
Sup. Rel. Violation	<u>9</u>	"
	13	"

I feel that I should do only thirteen months ON the Street. Are you tryin g to add more time to my Sup. Rel.? If so, that would be "Double Jeopardy".

I have explained this to my lawyer
Ms. Mildred Whalen. I'm waiting for
a response from her. In regards to the
miscalculation of my Sup. Rel. I would
appreciated it if you were to re-calcu-
late my Sup. Rel.

Sincerely Yours;
Richard Rubinkowski
